Hills prestige are proud to offer this Z3M Brightly finished in Dakar Yellow, this lovely example was specified from new with full black leather, air conditioning and heated seats. Its former keeper was keen on club events and car shows and consequently it was prepared and detailed with that in mind. It would appear that with the pandemic having put paid to car shows for some time, the owner chose to move it on. Spectacularly well presented with an engine bay that's 'showroom fresh', this sparkling little roadster and its new keeper would be very much welcomed we are sure at future events or, it may be, that he or she will be too busy enjoying the car for themselves. It's supplied with its full leather book pack, extensive service history including old MOTs, invoices and two sets of keys.
